

Dear Friends of St Peter School,

The dream of completing the St. Peter Outdoor Classroom and Memorial Garden has become a reality. Many people have donated time and funds to help with this completion. Areas of the garden have been landscaped with pavers. The pavers in these areas are available for engraving to memorialize family members and friends.

Come and visit the garden. There are picnic tables with umbrellas to enjoy an outdoor lunch. There are also benches in quiet areas for prayer and reflection.

It exciting to see this part of St Peter Parish finally completed. As the students utilize this area they will have the opportunity to see the names of their grandparents, relatives and family friends as a permanent fixture in the garden. I encourage you take part in the project.

Sincerely,

Gayle Trachsel

Principal
